financial support for expenses associated with their research, use of a study room or, where appropriate, single accommodation in College.

It should be noted that a successful candidate for a Junior Research Fellowship, who does not have an automatic right to work in the United Kingdom (including anyone who is completing a PhD at an overseas institution), will be subject to the visa requirements of the United Kingdom. The College will give informal advice and assistance but ultimately it will be the responsibility of the candidate to obtain the necessary visa.
